Grade level of team members (check all that apply) 8 9 10 11 12
How many students do you have committed to participating in the program at this time? _____

Our team will be:
 part of an in-school classroom project offered as an extra-curricular activity both.

WHY YES? Please provide a brief paragraph describing why your school/organization would like to host a YES! team...

YES SUPPORT! Please describe any related activities, programs, or connections you currently have in place that will help support the work of a YES Team...

SAY YES!

Yes, we want to participate in the Youth Energy Summit for the 2009-2010 school year. We understand that the fee for student participation will be \$50 per student and that schools/organizations are responsible for providing transportation to all events during the year. Teams will be able to apply for reimbursement of up to \$750 in travel and substitute teacher expenses as well as up to \$1,000 as stipends for coaches. We further understand that the team and advisor(s) commit to attending the summit activities and undertaking an energy action project in their community. PWELC staff and other expertise will assist the teams in this process. Projects will be judged and teams will be awarded prizes for outstanding efforts. Teams may also apply for up to \$1,000 to assist them with implementing their energy action project. Schools and organizations that realize a cost savings through the Co-opetition projects may be asked to contribute a percentage of the savings back to the Youth Energy Summit and Co-opetition to help fund the YES program in the future.

Signature of Coach(es) for YES team

Date

Signature of School Administrator or Lead at Organization

Date

- Please provide more information about YES!
- Please visit our school to provide a presentation for students staff/administration
- We cannot field a team at this time, but please keep us posted about next year's event!
